SoftMaker Office Standard 2018 for Linux

In addition to free-of-charge FreeOffice 2018, there is also a commercial edition, **SoftMaker Office Standard 2018**, which adds important features:

- **Spell checking** using high-quality commercial dictionaries covering 20 languages
- **Synonym dictionaries** (thesauri) in eight languages
- Not only import, but also seamless **export** of the modern Microsoft formats DOC, XLS, and PPT
- Documents are presented in **tabs**, just like in a web browser. You can dock, undock and rearrange them using simple drag and drop.
- **You can customize the ribbons.**
- The **extended sidebar** gives you a bird's eye view over your document.
- **Advanced table functions** for sorting and formatting tables and for converting between text and tables
- Power-user functions in PlanMaker: Formula auditing, watch window, data consolidation, scenarios, text to columns and more
- Support for **tables in worksheets** in PlanMaker
- Improved **formatting and image functions**
- Insert **charts** not only in PlanMaker, but also in TextMaker and Presentations
- Exclusive **Thunderbird add-ons** for easy filing of e-mails and lightning-fast folder navigation
- **Free technical support** by SoftMaker
- ... and much more!

SoftMaker Office Professional 2018 for Linux

SoftMaker Office **Professional** 2018 expands upon the features of the standard edition by adding **four Berlitz dictionaries** for translations from/to English, German, French, Italian and Spanish.
